

Dale Hall Community Primary School

PE and sports Premium Achievement Outcomes 2020/21

Dale Hall Community Primary we believe that children should develop both academically and socially to the best of their ability. We offer a broad and balanced curriculum. There is a wide range of academic, musical, artistic and sporting activities, as well as extra-curricular clubs

Learning together to challenge and achieve

What is the Sports Premium?

The Government is providing funding to cater for substantial school sport investment. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children. The sport funding can only be spent on sport and PE provision in schools.

Purpose of funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding include:

- hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
- paying for professional development opportunities in PE/sport
- providing cover to release primary teachers for professional development in PE/sport
- running sport competitions, or increasing participation in the school games
- buying quality assured professional development modules or materials for PE/sport
- providing places for pupils on after school sport clubs and holiday clubs.

How will we be spending the Sports Funding and who will benefit?

We use our funding to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport.

This means that we will use the premium to:

Add to the PE, physical activity and sport activities by introducing more variety of sports and build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

We will also ensure:

The engagement of all pupils in regular physical activity.

The profile of PE and sport is raised across the school as a tool for whole-school improvement.

To increased confidence, knowledge and skills of all staff in teaching PE and sport through in-house training and CPD.

A broader experience of a range of sports and activities offered to all pupils through a range of lunchtime and afterschool clubs.

An increased participation in competitive sport from KS1 onwards in school and out.

This year we are concentrating on the following:

From September 2020, when schools return to more 'normal' times, we will continue with our planned provision working with Premier sport as well as other specialist providers. Our PE Curriculum Leader has generated an action plan for 2020/21 that incorporates both 'catch-up' initiatives and other health and wellbeing strategies from this year's plan, linking to each school's action plan priorities. This takes into account the DfE's guidance relating to spending time supporting children returning to school after COVID-19 as well as the usual sporting and fitness priorities.

Each year group will complete the active mile at least 3x per week to ensure that pupils at Dale Hall have access to at least 30 minutes of sport or physical activity per day at school. We also aim to embed physical activity into the school day through active travel to and from school, active playgrounds, lunch time clubs and active teaching (Forest Schools / essential life skills). We also offer an active breakfast club run by Premier Sport.

Providing staff with professional development, mentoring, training and resources to help them teach PE and sport.

Supporting and involving the least active children by providing targeted activities.

Entering and running more sport competitions in partnership with other schools.

Running sports activities and clubs (such as hockey, athletics, football, cross country, multi sports, cricket and netball).

Encouraging pupils to take on leadership or volunteer roles that support sport and physical activity within the school.

Raise attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2.

Increasing school clubs and participation

The school is proud to offer a range of extra-curricular activities, accessed by children from Key Stages one and two. We are also pleased to boast an increase of participation from children from our Specialist Support Centre.

These clubs will continue to run with no fee charged for sports clubs run by school staff who run them but if an outside provider is used then a small fee may be charged. Any children in receipt of pupil premium support are able to apply for funding to attend these additional clubs.

We offer a range of sports clubs, depending on the term. Clubs include football, netball, tag rugby, hockey, cricket and gymnastics, cross country, ballroom dancing, street dance and fencing and archery.

Providing opportunities for children to compete

Dale Hall Primary are proud members of **IPSSA** (Ipswich Primary School Sports Association) and the **Suffolk School Games**. Our membership allows us to compete in a range of sports and activities across the school year. However, our participation this year has been limited to online competitions. Membership has also helped us with making online links to sports specific challenges and competitions.

Professional Development

Through our members of Suffolk School Games we are able to access a wide range of termly CPD (curriculum professional development) opportunities. Staff attended multisport and tennis CPD this year.

In addition to this, the school have made links with outside agencies such as Ipswich Sports Club, Premiere Sport and CDC Street Dance. Offsite visits have been limited this year due to COVID restrictions.

To help with planning and ensure high quality PE lessons across the school, we have signed up to Get Set 4 PE membership – 3-year membership to assist staff with access planning, assessment and online resources.

Financial Budget 2020 - 2021

Annual Budget 2020-21 £19,540	
Budget	
£8,200	Specialist coaches (Premier Sport) continued CPD opportunities across the school through the use of specialist coaches that enable all staff to provide high quality PE teaching across the school. This also involves our Forest school leader to take 15 children to deliver their sessions every afternoon.
£1500	Roots to Food - In school healthy eating roadshow and food technology on hands workshops developing understanding of healthy eating and diet through links to science, geography and DT learning. KS2 cookery workshops, KS1 fun, fitness and fruit activities and after school parent demonstrations to encourage healthy eating at home.
£550	Staff training including club memberships IPSGA & IPSSA
£4,000	Resources & outdoor development - Funded the purchase of additional PE and playground equipment to ensure pupils are provided with a range of opportunities to be physically active. Use the student and community voice to develop outdoor space to provide further opportunities for physical activity, mental wellbeing and active learning as part of a varied curriculum.
£1,031.25	Get Set 4 PE membership - 3-year membership to planning and assessment online resource programme supporting all teachers in the delivery of high-quality PE and enabling PE lead to track assessment of children to enable targeted support to be accessed as needed.
£1100	Extended sports provision - Use premier sport coaches to provide children with a range of new sports and physical activities to encourage a wider variety of pupils to engage in physical activity within school. Both after school clubs and targeted active sessions to be held when possible.
£900	Top up swimming - the employment of swimming coaches to provide top up swimming for pupils currently not on track to meet the end of key stage 2 attainment levels. Focus this year will need to be on the current year 6 and year 5 pupils who missed swimming sessions in the previous academic year due to COVID-19.
£1,200	Transport – providing transport to school sports competitions and tournaments ensuring the greatest number of pupils are able to access the offers available thus increasing participation at such events.

Sporting Activities	Evidence / Impact
Staff training	Up skilled teachers preparing children for competition calendar
IPSGA and IPSSA membership	Online activities were shared by our school games organizer and other online success were also shared to the wider community (see dojo). We competed in a couple of online sporting competitions (see bellow)
Active Breakfast Club – run by premier Sport	Average of at least 17 children per day present.
All classes participate in the Daily mile at least 3x a week	Children able to walk and talk to share worries and feelings with peers and staff.
<p>Positive and effective contribution to the wider life and ethos of the school, encouraging others to do the same.</p> <p>Numerous sports clubs created and pupil voice considered to how to improve experiences. Clubs led opportunities to represent the school in sporting fixtures</p>	<p>Dale Hall Primary school awarded the Gold School Games Mark for the third year in a row.</p> <p>Clubs split within year specific bubbles with no registers required at lunch times to allow more pupils to attend freely. Large participation uptake during the spring and summer term.</p> <p>More clubs run at lunchtimes to provide wider choice. (see sports success below)</p> <p>More staff led sports clubs, (TH, JB, AS, CA, AG).</p> <p>Premier Sport lunch time clubs provided free of charge</p>
