

Literacy

Our Phonics focus will be to consolidate the level 2 phonemes and begin learning Level 3 phonemes. We will begin to write captions and sentences as well as practise our decoding skills in our reading. We will be looking at the structure of stories through our guided reading sessions and practise using new vocabulary at 'Drawing club'. We will be exploring punctuation in sentences and begin to use capital letters, finger spaces and full stops in our independent writing.

Maths

In Maths we will be consolidating our number knowledge of numbers up to 5, as well as exploring mass and capacity. We will be developing our understanding of numbers 6, 7 & 8 by thinking about their representations and composition. We will continue to build on our subitising skills and begin to identify odds, evens, and doubles. We will begin to explore addition by combining groups.

Expressive Arts & Design

We will continue to develop our accuracy and care in our drawings at Drawing club.

We will be joining different materials and exploring different textures through collage.

We will be working collaboratively to follow a recipe to make gingerbread and pancakes

Reception Spring 1 Medium Term Plan 2024 Once upon a time...

Communication & language

We will be listening to familiar stories and joining in with repeated refrains

We will be using talk to organise, sequence and clarify our thinking and ideas.

We will be exploring how and why questions, as well as using recently introduced vocabulary through discussions

Physical Development

We will continue to practise our letter formation through daily handwriting sessions. In P.E the children will be exploring shapes, balances, and jumps and begin to develop rocking and rolling in Gymnastics.

They will have the opportunity to use the big outside garden daily to develop their core strength. They will also have lots of opportunities to develop their fine motor skills.

PSED

We will be learning about the importance of tooth brushing and healthy eating.

We will be exploring how to be a good friend, as well as learning solutions to solve disagreements.

Understanding the world

We will be recognizing similarities and differences between life in this country, and life in other countries

We will be exploring different materials and using talk to work out problems and organize our thinking.
