Information about lunchtime clubs

If you know you are attending a lunchtime club that requires sport clothing, please come into school in PE clothing. You will be able to stay in PE kit all day and do not need to change.

No booking required, just turn up!

If you are having packed lunch you can eat it in that teacher's classroom at the beginning of lunch, as tables and chairs will be sprayed and cleaned before arrival. We will try to eat outside if the weather is nice.

If you are a Hot Dinner / Jacket Potato or Pick & Mix- your time for that club will be disrupted but you are free to go and come back to the club as you wish. We therefore would recommend that you bring a packed lunch (where possible) on the days you want to attend the lunch time clubs to maximise your playing time!

All lunchtime clubs are for boys and girls and will be differentiated where needed!

After School Clubs (excluding Premier Sport Clubs) STARTING MONDAY 16th January

Please can we ask for all parents to wait outside of the school main entrance building at the end of After School Clubs.

The clubs are available on a first come, first serve basis. If there is high demand for certain clubs we will do all we can to make adjustments! Please be mindful that all after school clubs are run by staff voluntarily!

Please can children that are attending After School Clubs or Premier Sport Clubs come into school in their school uniform UNLESS they have PE on that day. Please bring ANY sport clothing for that club in a drawstring bag and you will be able to change after school in time for your club.

Monday
